REMARKS

In response to the Official Action of September 16, 2004, Applicants hereby elect Invention I, corresponding to Claims 1-50. Applicants have canceled Invention II, corresponding to Claims 51-52. This cancellation is being done without prejudice to the filing of a divisional application for these and/or other claims.

Applicants are not traversing the Restriction Requirement, because Applicants agree that a determination of the unpatentability of Invention II would not necessarily imply the unpatentability of Invention I.

Respectfully submitted,
